Construction and Real Estate Sector Career Pathway Map

Notes: The Career Map serves as a reference to reflect the available job roles and possible career pathways in the sector, which may vary depending on each organisation's structure and business context. The career progression pathways would depend on individual performance, capability, experience, aspiration, as well as organisation needs. All engineering professions must acquire a mandatory license from the Council for Regulating the Practice of Engineering Professions (CRPEP) to operate in the Kingdom of Bahrain.
